

Summer Blast with CWI and The Tepper's

It's the middle of summer and things are getting exciting all up in here. The weeks are moving fast and furious but extremely fruitful. Thursday in Squirrel Hill has gained much momentum this summer with many seeds being planted with Jewish and Gentile people, to know their Messiah. We have spoke to hundreds about Yeshua and have even led an elderly Jewish woman to meet her Messiah. We have some phone numbers and emails from people who would like to get together with one of us. Pray for every one of the people we have spoken to on the streets of Squirrel Hill. Pray for good follow-up and continued communication with those who are interested in learning more about Yeshua.

Another great work that has happened this summer was tweaking the "Beth Shalom Fellowship Shabbat Service" into "Shabbat at the Tepper's". All we had to do was mention food and "they will come". They have come to the tune of an average of twenty plus the first four weeks and no signs of slowing up. Fridays have been a wonderful experience of rest, as we pray, eat, worship, discuss and generally have an incredible night of fellowship with people from numerous fellowships in the Butler and Pittsburgh area.

Please come join us on a Thursday in Squirrel Hill as we share Yeshua with all people or a Friday Shabbat at the Tepper's, for great night of food and intimate fellowship. Don't forget to checkout the CWI website to see the incredible that is being done around the world by sharing Yeshua with all people, to the Jewish and the Gentle. We need your help to continue this great work for our Messiah!
